## THE FIRST MULTIPLIER EVENT

The multiplier event took place in London on 26<sup>th</sup> of January 2018 within the event "Getting to know Kairos Europe". The aim of the event is to share with partners information and outcomes of Kairos Europe ongoing projects on different topics such as migration and inclusion, education, with the particular attention to projects dedicated to entrepreneurship and employability.

The central place of the event had the project "Self-employment for migrants and refugees with low literacy skills". The presenters were the project manager, project coordinator, one trainer and one participant, while participants were representatives of the organisations that work with migrants, as well as representatives of adult education schools and adult educators.

**The following organisation were contacted for the promotion of the training and participation on the Multiplier event:**
