Integration policy in the country

Entrepreneurial education offer

Best practices transferable

- **Why it is interesting?**
- **Which part we can use in the project?**
- **Tools, materials, methodologies.**
- **Training and coaching activities.**

**REGIONE LOMBARDIA FESR
BANDO LINEA INTRAPRENDO**

**Is interesting as example of
simple form for funding**

**We could use their form as a
standard to teach how to
prepare a short project**

**Ministero Istruzione
National Operative Program
ESF
Entrepreneurship education in
secondary schools**

**Is interesting as example of
creation of future standard for
schools**

Luiss Enlabs

Startup accelerator based in Rome, Italy, and certified by the Italian Government. Operated by Lventure Group, a publicly listed venture capital company that provides startups with funding and network

**Is interesting as example of selection
and help for start ups**

**Not found standard modules for
training dedicated to immigrants and
asylum seekers**

**Waiting for answers from our
stakeholders**
